COVER SHEET

This is a Matter of Admiralty

Plaintiffs address and contact is below

Most parties, if not all of them are in Los Angeles County.

Plaintiff is a Citizen of both California and the United States, but is naturalizing and would like to change naturalization status for this case.

Defendants are

1. A county of California Municipal Corporation
2. a State/Federally funded entity
3. State Agencies
4. Two citizens
5. Unknown Persons
6. Plaintiffs biological son as a Vessel
7. Plaintiffs rental house as a Port.

This is an original proceeding.

I am demanding a jury trial if this cannot be dealt with in equity.

This is an action in garnishment in Admiralty.

There are four causes of action one of which is based on City of v. Shelby which amounts to notice pleading as per FRCP Rule 8 for notice pleadings.

The Proper Venue Appears to be the Western Division, but I will let the court sort that out.

A similar case was dismissed, this is a re-pleading of that case.

I am not aware of any other related cases.

This case deals with a forfeiture matter.

It arises from a closely related transaction

This case calls for a determination of a similar question of law and fact.

It involves matters that would have duplication of labor by different judges.

Respectfully Submitted,
